**HAVE A WONDERFUL
RELAXING SUMMER!!**

Dear Parents,

God wants us to know that life is a series of beginnings, not endings. Just as graduations are not terminations, but commencements. Creation is an ongoing process, and when we create a perfect world where love and compassion are shared by all, suffering will cease.

Bernie Siegel

As we bid our eighth-graders a fond farewell at our Old Mission School 141st promotion ceremony, it is my hope that our graduates will strive always to practice love and compassion. And that their world will someday be free of suffering and filled with peace.

This is the last newsletter of the 2016/17 school year. We bid a fond farewell to Mrs. Mary Ellen Mosley who is moving on in her career after 8 wonderful years of service to our OMS middle school students. May God bless her and her family on this next life journey. Mr. Nick Talley will take the helm of our science lab next year. You'll be hearing more about him soon! We also say goodbye to Mrs. Urmson who helped us out this year by teaching some religion classes, Ms. Anna Meyrick who pitched in with art, and Mr. Diego who is off to college. We wish them God's blessings.

Thank you for your continued support of OMS. We truly appreciate all that you do to improve our school. May God bless you and your family, As you know, I will be retiring at the end of June. I appreciate all your kind words and best wishes. I will truly miss this wonderful OMS community. For those of you who just can't stay away, our office will be open 9 AM-3PM for the month of June, and we open for the 17/18 school year on August 1.

Peace and happy summer,

Tina Ballantyne

Principal
